For 2nd February 2009

Message from the President

For Monday 2nd February 2009

About our meeting

Our meeting laws held at the Leadlight Café' in Queen Street with the Rotary Club of Bendigo South.

Our 'parent' club (founded us over 25 years ago) looked after us with the kind and warming hospitality. We will be able to return this exchange later this year when they visit us. Thank you to Frank and your members with their partners for your kind invitation and welcome. Also congratulations to Maggie James for her re-induction into Bendigo South.

Des Samson was the guest speaker with his presentation on the Tour de France. Des has a professional cycling background and turned this passion into his desire to watch this great race.

Our outgoing exchange student Sarah Bates has departed for Ringebu, Norway. Her long journey there was farewelled by President Kaylyn with John and Sarah's family. We wish her well and her family is on our bulletin distribution list so she can keep in touch and also see our messages.

President Frank from the Rotary Club of Bendigo South reminded us about the upcoming Olive Fiesta and our BBQ involvement with the day event. Also an invitation to all members to attend a wonderful night on the 28th February to enjoy an Italian meal – please contact Greg Noonan to book your place for a night of fine food, wine and fellowship. This outstanding event at a cost of only \$60/person.

On Sunday March 1 2009 it will be all hands on deck from 10am to 4pm manning the BBQ and espresso machine at the Olive Fiesta. A roster will be distributed over the coming weeks for volunteers. Bendigo South shall reciprocate to assist us with the Hole in One event.

Please note from 9th Feb the door cost will increase to \$20 during a meeting night.

Yours in Rotary,

Glenn Ludeman for
Kaylyn Journeaux
President

February is World Understanding Month

**THE FOUR WAY
TEST OF THE
THINGS WE THINK,
SAY OR DO**

Is it the truth?

*Is it fair to all
concerned?*

*Will it build goodwill
and better
friendships?*

*Will it be beneficial
to all concerned?*
