Message from the President

For Monday 6th April 2009

About our meeting

Once again we met at the club rooms and continued on to the Windermere for another enjoyable meal. It was wonderful to have Colleen join us for the meal and appreciate her assistance at the Hole in One. Also we have the Kangaroo Flat Fire Brigade, Rotary Club of Bendigo South and an offer from Inner Wheel to fill the gaps for the Hole in One. Next Monday we once again meet at the club rooms prior to moving on to the Windermere at 6.30pm.

Commencing in April we shall have our partner's night and a mystery venue for our evening. This will be every 4th Monday night of each month. The venue to be advised on arrival at the club rooms prior to departure.

The Capital Theatre is the place to be on Saturday 25th April for the production "Time Warp - A Rocky Horror Musical". Tickets will sell quickly for this all time cult favourite. If you would like to join the group please advise at next Mondays meeting. Tickets are \$42.95 and \$39.95 concession.

On Saturday we begin the set up for the Hole in One. With so many working on Thursday it has left but a couple to make a start on setting up hence the decision to start the set up this Saturday. Roger is in charge and ready to commence at 9am Saturday. Please contact Roger if you can assist even if it is just for an hour or so. After Monday's meeting we will spend 10-15 minutes with Captains and MC's to run through their roles. If you are filling one of these roles please allow time after the meeting. Thank you to the many helpers in what will be a wonderful event.

Have a wonderful week.

Yours in Rotary,

Jill Barker for
Kaylyn Journeaux

28 April Governments around the World – including here in Australia – are embracing ‘economic stimulus packages’ and ‘bailouts’ on an unprecedented scale. It appears that “everyone is a Keynesian now” in response to the Global Economic Crisis. But will those measures work? What will it mean for us in Australia? What can and should our Federal and State governments be doing in response to the global situation?
