## From President Judy

We were very pleased to welcome our special guests this week. District Governor Keith Ryall and Gabrielle, AG Mark Weragoda and Leonie, partners Laurice Wakefield and John Journeaux, ROSE student Mickey and future Rotarian, Keith White all shared the evening with us. Thank you.

DG Keith presented a very positive report on our District and is particularly pleased with the contribution and commitment towards fulfilling Rotary ideals we are making. He stressed the importance of fellowship within each Club and the District and acknowledged the strength of the Goldfield Cluster. We were the 51<sup>st</sup> Club he has visited, only 18 to go. I think he and Gabrielle both deserve a medal for durability!

As mentioned previously, early bird bookings are open for our District Conference in Melbourne. After having a guided tour of the Exhibition/Convention Centre, hearing of some of the speakers and entertainment that has already been organized and sampling the fare last week, I can recommend/encourage that we try to attend this event.

Thank you, Deputy Sergeant Bob for taking on the role again for this month. We will be very alert in your presence!

Community Director Kaylyn has been very busy working on our Golden Mile event which will be held in March 2012, along with the Rotarian Bike also being organised. We have two really exciting ventures to look forward to which will hopefully become annual events and provide a great boost to our fundraising efforts.

Thank Kaylyn and Charlie for your organization to date.

Another thank you to our wonderful blood donors. Your donations were very timely, as it had been widely reported that stocks were very low. Unfortunately Janet was unable to attend the meeting and her Rotarian induction after making a donation so now we are looking forward to this special occasion next Monday.

Our 'brainstorming' of the Gateway Park Draft Plan next week will help us prepare our submission to Council, prior to adoption. Another thank you to members who have already submitted private submissions.

**Apologies:-** Charlie Bovalino, Jill Barker

## Camp Getaway - Invitation to Grand Opening of mini - golf course

Dear District 9800 Club

In my year as President of our Club, 2008/9, we came up with the concept of building a 9 hole mini golf course to add to the sporting facilities at Camp Getaway. Finally, we are having the Grand Opening on 27 November and this will be a wonderful opportunity for your club members who have never visited the Camp to see what has been happening over the past few years. This will be a wonderful fellowship opportunity with other District Clubs.

There will be a detailed display of the plans for the kitchen redevelopment that is planned for 2012.

I am also seeking DONATIONS of golf PUTTERS for the course. We need about FORTY so can you ask club members if they have any old, usable putters that are no longer required. They can email me directly at “[russell1807@bigpond.com](mailto:russell1807@bigpond.com)” with quantities and I will contact them directly re collection.

I would also appreciate a return email by November 13, as to possible numbers of Club members likely to attend on the day, as well as numbers that wish to stay overnight on the Friday (25th) and Saturday (26th) in the dormitories. The Camp has been booked out in the name of Keilor Rotary for the weekend. Please ask members to wear their club badge to the Camp.

There are bar-b-que facilities available for attendees.

Regards
