**THE FOUR WAY TEST OF
THE THINGS WE THINK,
SAY OR DO**

Is it the truth?

Is it fair to all concerned?

*Will it build goodwill and
better friendships?*

*Will it be beneficial to all
concerned?*

From President Judy;

We enjoyed the company of many visitors at our meeting this week. They included Anna Lena, our German exchange student from 2009. It was so good to see her again, along with her parents, Gunter and Ursula. They are visiting Australia for four weeks then Anna will commence her university studies. Following her return home, she has joined a group, Rotex, affiliated to Rotary, which assists students from other countries who are on exchange in Germany and other European countries.

Frank and Edna Nott shared their visitors from China with us. What remarkable young woman they are! Gao Huiye, (Tracy) and Qin Xiaohui, (Melissa) are both highly educated lecturers at Beijing University of Science and Technology, specialising in English, Oral Translation and Linguistics. They are furthering their studies at Latrobe University, particularly in the area of teaching methodologies. Both girls addressed us with an informative, thoughtful presentation, comparing many aspects of their lives, professionally and personally, with our lifestyles. High on the Aussie positive list were: - clean air, the quietness, Edna's cooking, especially the desserts, shopping and housing.

Making the time to visit our updated website will be well worth the effort. Glenn must have spent half his holidays working on getting it up to such a great standard. Thanks Glenn, we all appreciate your expertise and efforts.

Thank you, in advance, to our Club Members who will be attending the Red Cross Blood Bank next Monday prior to our meeting, and yes, we will make sure you are all suitably fortified after making your donation!

Attendance: - a fantastic 81%

Apologies: - Kaylyn Journeaux, Liz Dürr.

If it is to be it is up to US

Reach Within to Embrace Humanity

Yours in Rotary
President Judy
