## ***2010 Easter Hole in One Competition***

*This year we ask all local businesses to join in our Easter Hole in One Competition. This event has been running for over 20 years raising funds for local charities and amenities for children.*

*This event normally raises around \$12,000 with 22,000 golf balls being driven onto the tee with many "holes in one". To enable this event to run successfully we need the support of local businesses to provide sponsorship and prizes over the four days.*

### ***Every hole in one will win a major prize.***

*All participating companies will receive acknowledgement and recognition of their business's effort in this worthy cause through the press, PA and radio. Sponsor's banners and signage will also be used to create awareness of the event and sponsors. On-site attractions will bring more participants to this popular annual 'Hole In One' event.*

*All sponsors be listed on our website and we will provide links to their own websites, until next year's event. We have signage packages of various sizes and all companies are welcome to provide banners and signs for the event as appropriate.*

*We have four sponsorship packages consisting of signage, advertising and broadcasting of sponsors at the event.*

*All sponsors are encouraged to supply small prize items to be used as spot prizes for use during the event.*

*All major sponsors will be invited to a thankyou function held at Rotary Park.*
